

Teacher Candidate Referrals Due Process Procedures and Appeals

Overview

All University of North Alabama students seeking teacher certification are informed that the College of Education and Human Sciences Education (COEHS) Preparation Program establishes dispositions for prospective teachers. The field and clinical teaching program is a collaborative relationship between UNA, cooperating school districts, mentor teachers, and the teacher candidate. The COEHS routinely monitors the professional dispositions throughout the program for all teacher candidates. Those candidates who are not progressing or adequately meeting the expectations outlined in the disposition referral (Form A) may be required to complete a formal remediation plan. Occasionally, there are circumstances that warrant the candidate's removal from the field or clinical teaching experience. The COEHS prescribed specific steps to be followed for intervention or possible removal of the teacher candidate. Such steps are detailed below. All cases of intervention or possible removal of teacher candidate(s) will be referred to the Professional Ethics Committee (PEC). The PEC will consist of six members as follows: Associate Dean, Director of Teacher Preparation, and four faculty representatives. A minimum of four members shall constitute a quorum. A quorum must be present at meetings for proceedings to be valid.

Reasons for Intervention or Possible Removal of the Teacher Candidate

1. Mutual consent and agreement for withdrawal by the candidate, cooperating school, and university mentor for reasons of illness, injury, or other unforeseen problems (students may have the opportunity to intern the following semester).
2. Failure by the candidate to establish and maintain a satisfactory performance level in the P-12 classroom setting steps:
 1. The teacher candidate shall be informed by the cooperating teacher and university supervisor of any unsatisfactory performance. This shall be done through written evaluations, personal conferences, and/or written documentation (Form A) of any infractions of school district policy, UNA policy, professionalism, or violations of state or federal law.
 2. An intervention plan will be crafted through the collaboration of the university supervisor, cooperating teacher, Director of Teacher Preparation, and teacher candidate.
3. If UNA determines that a teacher candidate does not follow through with prescribed verbal and written suggestions for improvement documented within the intervention plan or **a third referral is issued**, the university supervisor and Director of Teacher Preparation shall initiate a hearing in front of the Professional Ethics Committee (PEC). The teacher candidate will be removed from the P-12 classroom setting until future notice.
4. The teacher candidate will be given notice (Form B) of the hearing through university email within three (3) working days of removal from the P-12 classroom setting. The teacher candidate can have a

university advisor of their choosing present at the hearing ([as defined in UNA Student's Procedural Rights](#)). The PEC will be assembled for the meeting to review all relevant information. During the hearing, the Director of Teacher Preparation or designee will present the information, listen to the teacher candidate, discuss circumstances regarding the information, and hear the teacher candidate's concerns. Based upon the discussion and the preponderance of evidence, the hearing will result in the PEC making a decision. The student has three (3) working days to appeal the PEC's decision to the Dean of the COEHS. If the teacher candidate fails to appear at the hearing, the hearing may be held without his or her presence or statements.

5. A situation in which the teacher candidate places classroom students in danger or shows severe behavioral misconduct (refer to the Alabama Code of Ethics) toward a student(s), their family, school staff, university staff, or other university student(s), or violates student conduct rules.
