THE APPELLATE PROCESS

Student Organizations **MAY** submit an appeal to Student Government Association based on one or more of the following:

1. Procedures were not followed by the SGA Budget Oversight Committee.
2. The SGA Budget Oversight Committee deviated from the written policies.

The following are the steps for an appeal process:

1. The requestor appeals to the SGA Budget Oversight Committee using the Campus Groups form stating the grounds for the appeal. The appeal must be submitted within five academic days from the date of notification of the outcome of the request.
2. The SGA Executive Council will determine if the appeal meets any of the previously stated grounds for an appeal and will complete the Appeal Outcome Report Form to document this review.
3. If the appeal meets the previously stated grounds, the SGA Executive Council will refer to the appeal to SGA Senate to reconsider the proposal and notify the SGA Budget Oversight Committee and the requestor.
4. If the appeal is not granted, the original decision goes unchanged, and the requestor is to be notified that their appeal was rejected.
5. The SGA Senate, when reconsidering the proposal, may choose whether to award the original allocation per the guidelines in the allocation manual.
6. This decision must be communicated to the requestor within five academic days from the date when the appeal decision was made.

THE DECISIONS OF THE SGA SENATE ARE FINAL. Appeals are not granted solely based on disagreement with the decision of the SGA Budget Oversight Committee. Appeals are not granted to groups that fail to submit the proper documentation on the original request.

ADDITIONAL INFORMATION

Purpose

The University understands that organizations and their activities contribute to the educational, cultural, social, and professional development of the University of North Alabama. The Student Allocations funding process was created by SGA to respond to the needs of student organizations and enable these groups to develop programming based on the educational mission of the University as outlined in the University Catalog and Student Handbook.

Student Government Association

The Student Government Association Senate will review policies, procedures, and end of the year budget reports to ensure that the student activity funding is being used effectively and efficiently for student programming and development as aligned with the mission of the University. SGA Executive Council will also review appeals and determine if an appeal is warranted. If an appeal is granted, the SGA Senate will decide on the funding.

The Student Allocation Committee

The Student Allocation Committee is made up of the SGA Budget Oversight Committee (four senators) and a faculty member who serves on the review committee. The Student Allocation Committee will review and approve funding proposals that are submitted through Campus Groups. These individuals will serve on this committee for the full academic year. New members will begin to serve in the Fall. Committee members will be in attendance for two events that have been allocated per semester.
